hackerearth

Memorandum of Understanding

Between

HackerEarth Inc (hereafter referred as HackerEarth) is a platform for developers to constantly improve their programming skills, solve problems across various domains of computer science, and participate in programming contests/hackathons.

and

Hack Ridge is the *hackathon organizing committee/programming club/tech fest organizing committee* for *Hack Ridge* .

Valid till March 3rd, 2018

Background and Purpose

Hack Ridge is organizing a hackathon at Maine Township South High School, Illinois and needs a *hackathon management platform* to manage the various aspects of hosting a hackathon. HackerEarth has agreed to provide its hackathon management tool - HackerEarth Sprint to manage the hackathons.
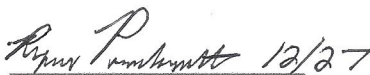

Hack Ridge hereby states to process the deal directly with HackerEarth and is accountable for implementation of the deliverables. Any issues pertaining to the deliverables will be dealt with by *Hack Ridge* and HackerEarth Inc including alterations.

Roles and Responsibilities of HackerEarth.
- Provide a suitable platform, *HackerEarth Sprint*, for the March 2nd-3rd hackathon.
- Will not share, publish, or sell any participant personal data.
- Will provide $300 financial contribution for the hackathon

Role and Responsibilities of *Hack Ridge*
- Will use *HackerEarth Sprint* for March 2nd-3rd Hack Ridge.
- Will list HackerEarth as *programming partner/hackathon partner/community partner* on *Hack Ridge's* website along with HackerEarth's logo on their website.
